To Whom It May Concern,

We would like to recommend A Ledger LLC as an excellent source for all of your accounting needs. We have worked with the owner, Jodi L Church, for over 5 years both directly and indirectly through various clients of ours and have found her to be both trustworthy and reliable. She has been successful at managing both small and medium sized multi-million dollar companies in a variety of industries. Ms. Church is timely, accurate, organized, and provides excellent service and quality work to both her clients and our firm. She is always responsive and has a friendly, but professional demeanor, someone you enjoy talking to and can trust with sensitive information.

A Ledger LLC is passionate about the service they provide and are committed to serving their clients and helping them achieve their goals.

Sincerely,

Cameron Buick, CPA, M.S. Tax
